Professional Experience:

President
University of Missouri
January 2003 – present

The University of Missouri is the first publicly supported institution of higher education established in the Louisiana Purchase territory. Established in 1839, UM currently enrolls more than 63,000 students and employs more than 25,321 faculty and staff. The mission of the University, as Missouri's only public land-grant research and doctoral-level institution, is to discover, disseminate, preserve, and apply knowledge. The president is the chief executive officer of the university with four campuses located in Columbia, Kansas City, St. Louis and Rolla, and an extensive Outreach and Extension Program. Its annual operating budget is approximately \$852 million, with total revenues of \$2.1 billion and an endowment of \$715 million.
